 - Purchase [here](#)

Instructions:

1. Read Martin Luther king Jr. book to students
2. Discuss the book with students.

Ask them questions about the story. What are some of MLK accomplishments? What are ways students would like to change about their surroundings. Can the students recognize any character traits? How did he change the world?
3. Pass out and walkthrough worksheets

On the worksheet that says "I have a dream" ask students to come up with their own initiative to change their surrounding
