SalesGenesis
MARKETING AS A SERVICE

Sales Genesis provides affordable internet based marketing services proven to increase revenue and customers for small and medium businesses.

Generate Demand (Email Marketing)

Executing effective marketing communications for nurturing and lead development consumes a lot of time, energy and money. Luckily, Sales Genesis' email nurturing services take care of the hard work for you. Our team creates and executes campaigns on your behalf using tried and proven tactics.

- Multi touch email campaigns
- E-Newsletter

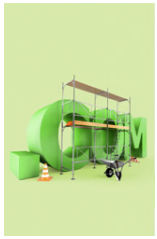

Take your Business Social! (Social Media Marketing)

Your prospects and customers are relying on social media networks to provide them with the latest news and advice. If you are not participating in and directing the conversations with relevant content, your competitors are and, in our opinion, this leaves you invisible to your target audience.

- Facebook
- Twitter
- LinkedIn
- Pinterest

Get your business Online.

Your website is your marketing tool to get your message out to the world. It provides a digital launch pad where you can showcase your products and/ or services. It will be customized with your look and feel as well as the content that you provide. (Logos, text and photos). Our SEO team has the expertise to help propel your business to the top of your local searches and keep you there.

- Website Design and Mobile Optimization
- Search Engine Optimization
